SECTION 6: Accidental Release Measures

Small Spill - Wipe up small releases with a dry absorbent cloth or other absorbent material.

Large Spill – Absorb excess liquid with vermiculite, absorbent cloth, or other absorbent material. Prevent material from entering sewers or drains. Ventilate area and block traffic. Transfer contaminated material into suitable container for proper disposal.

SECTION 7: Handling and Storage

Handling - Do not get in eyes, on skin or on clothing. Avoid contamination of food. Avoid reuse of unwashed disinfectant-soaked gloves. Avoid prolonged inhalation. Wash thoroughly after handling wipes. Store indoors in a dry area.

Storage – Store indoors in a cool, dry, well ventilated area. Keep away from heat sources. Keep out of reach of children. Keep container tightly sealed when not in use. Follow label directions carefully. Do not contaminate water or feed by use or storage. Keep from freezing. Use from original container only. Do not store with fertilizers, seeds, insecticides or fungicides.

SECTION 8: Exposure Controls / Personal Protection

Eye Protection – Yes, goggles or approved safety glasses (ANSI Z87)

Skin Protection – Yes, if direct contact is possible use impervious gloves.

Respiratory Protections – Not usually necessary. Use with adequate ventilation. Use NIOSH/MSHA approved respirator if PELs or TLVs are exceeded.

Engineering Controls – Ventilation not usually necessary but should be provided in the event of overexposure.

SECTION 9: Physical and Chemical Properties

Appearance and Odor:	Clear colorless liquid with a floral scent saturated on a towel.	
РН	4.0 ± 0.5	
Specific Gravity (70°F)	0.999	
Boiling Point:	212° F	
Melting Point:	No Data	
Evaporation Rate (Butyl Acetate = 1)	No Data	
Vapor Pressure (mm-Hg @ 70°F)	No Data	
Vapor Density (AIR = 1)	>1	
Solubility in Water	Complete	
Volatile Organic Compounds (VOCs)	18.2 grams per liter or 1.8 % by weight VOCs	

SECTION 10: Stability and Reactivity

Hazardous Polymerization – This product will not undergo hazardous polymerization.

Hazardous Decomposition or Byproducts – Carbon dioxide, carbon monoxide, hydrogen sulfide, sulfur dioxide, and soot.

Chemical Stability - Stable

Incompatibility (Materials to Avoid) - Strong oxidizers, acids and alkalies, ketones, nitric acid, sulfuric acid, halogens and halogenated compounds.

SECTION 11: Toxicological Information

No Data

SECTION 12: Ecological Information

No Data

SECTION 13: Disposal Consideration

Disposal Method - Dispose of in accordance with all applicable local, state, and federal regulations.

RCRA Waste Information – If this product becomes a waste, it would not be a hazardous waste as defined by RCRA (40 CFR 261). However the waste should be properly characterized to evaluate whether its composition has been modified prior to disposal.

SECTION 14: Transport Information

DOT 1. C
DOT Information – 49 CFR 172.101 Proper Shipping Description: Not Regulated
Hazard Class: None
Identification Number: None
Packing Group: None
Water Transportation:
Proper Shipping Description: Not Regulated
Hazard Class: None
Identification Number: None
Packing Group: None
Air Transportation:
Proper Shipping Description: Not Regulated
Hazard Class: None
Identification Number: None
Packing Group: None
Marine Pollutants: None
SECTION 15: Regulatory Information
US Federal Regulations:
EPA Product Registration Number
55195-4-11694
TSCA (Toxic Substances Control Act) Status
All ingredients are on the TSCA inventory or are not required to be listed on the TSCA inventory.
<u>CERCLA RQ - 40 CFR 302.4 (a)</u>
None Listed
SARA 313 Components – 40 CFR 372.65
o-Phenylphenol (CAS: 90-43-7) - 0.01375%
0-1 henyiphenoi (CA3. 70-43-7) - 0.0137370
State and Local Regulations:
California Proposition 65
WARNING: This product contains a chemical (o-Phenylphenol) and trace chemicals (Ethylene Oxide, Propylene Oxide) known to the
State of California to cause cancer, and/or birth defects or other reproductive harm.
State of Camorina to cause cancer, and/or on underects of onler reproductive nami.

Section 16: Additional Information

Date Prepared: Rev. 2 – 09/05/06 Rev. 1 - 03/27/06 **WARNING!** The use of this product is beyond the control of the manufacturer; therefore, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The user must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials. The manufacturer warrants only that this product meets the manufacturer's specifications for such product. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AS TO DESCRIPTION, QUALITY, MERCHANTABILITY. FITNESS FOR ANY PARTICULAR PURPOSE, PRODUCTIVENESS, OR ANY OTHER MATTER, OF THIS PRODUCT. THE MANUFACTURER SHALL BE IN NO WAY RESPONSIBLE FOR THE IMPROPER USE OF THIS PRODUCT. The sole and exclusive remedy against the manufacturer for breach of warranty shall be reimbursement of the purchase price of the product in the event that a defective condition of the product shall be found to exist. NO OTHER REMEDY (INCLUDING BUT NOT LIMITED TO INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR INJURY TO PERSON OR PROPERTY OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL LOSS) SHALL BE AVAILABLE.
