

SSS JOURNEY DUST MOP TREATMENT

Features

- “The Next Generation Aerosol System”
- Professional Strength Aerosol Maintenance Products
- USA Patent Pending Formula Technology
- Advanced Propellant System Enables Ultra Low Total VOC Content
- 98% VOC Free, Water-Based, Nonflammable
- Formula Contains No Wax or Silicone
- Locks up Dust, Lint, Dirt & More
- Pleasant, Light-Lemon Fragrance

Description

SSS Journey Dust Mop Treatment is a special high foaming floor stripper formulation developed to let chemistry do the hard work of removing years of unsightly wax and buildup. Ideal for use on vertical surfaces such as: baseboards and kick plates not normally reached with water thin conventional liquid stripper applications. It is excellent also for spot stripping hard to reach vertical and horizontal areas where foot traffic is minimal: under desks, tables, counters, along walls, behind fixtures, etc. This heavy-duty product leaves your floor ready for new wax to be applied. Multiple layers of buildup are quickly emulsified by chemical action for easy, speedy removal. Uses can be found in most any commercial setting including offices, institutions, hotels, hospitals, schools, public places and more.

TECHNICAL INFO:		
Physical Properties	Appearance	Creamy Spray
	Color	White
	Odor/Fragrance	Pleasant, Light-Lemon
	pH	N/A
	Spray Pattern	Oval
Environmental Profile	Glycol Ether Content	No
