	2/2L Navigator DCS
Physical State .....	Liquid
Color .....	Clear, green
Odor .....	Low
pH .....	4.5 - 5.5
VOC's .....	< 3%
Foam .....	Low
Shelf Life .....	1 year minimum in unopened container
Freeze/Thaw Stability .....	Excellent
Solubility in Water .....	Complete
<b>HMIS Hazard Rating</b>	
Health .....	1
Flammability .....	0
Reactivity .....	0
Personal Protection .....	A

All products displaying the EPA DfE logo have been Formulated in Partnership with EPA Design for the Environment Formulator Initiative.

This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

### Description

- More aggressive, high performance, heavy duty all-purpose cleaner
- Effectively removes industrial grease and oil, inks, heavy finish build, soap scum and other oil and water-based soils
- Cleans, degreases, brightens and deodorizes
- Environmentally preferred
- Formulated to meet strict environmentally preferable requirements

Products marked with the Triple S EarthCare™ seal meet recognized green standards or have features that contribute to the preservation or sustainability of a healthy environment.

Formulated with new environmentally-preferred, high performance technology, this heavy duty cleaner will clean, degrease and brighten floors, windows, walls, countertops, cabinets, toilets, urinals, sinks, partitions, grout, concrete, terrazzo, stainless steel, chrome, plastic, vinyl, glass, Formica, sealed wood, desks, porcelain and many other types of surfaces not harmed by water. Ideal for hospitals, schools, kitchens, restrooms, offices, fitness centers, institutions, kitchens, and many other types of facilities.

Summit Heavy Duty Cleaner has been 3rd party certified by the Green Seal® according to GS-37 Environmental Standard and is recognized by the U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative.

### Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

This product is formulated to work with cold water. Cold water conserves the energy required to heat water.

1. Dilute 1 ounce per gallon (1:128) with cold tap water.
2. Apply with mop/bucket, sponge, cloth, wiper, autoscrubber, floor scrubber, pressure water or spray bottle.
3. Allow time for solution to penetrate soil.
4. If necessary, scrub with sponge, mop, cloth, pad or brush to speed up the cleaning action.
5. Wipe dry with clean cloth or rinse with clean water if needed. Rinsing is not necessary.

Highly Concentrated

Excellent Performance

Biodegradable

No Rinse Necessary
