### What the Pros Know

Gentle, yet effective, water based formula. Formulated with neutral pH. Works on a broad range of alkaline and acidic spots and stains. Low residue formula makes rinsing fast and easy.

#### Team Pleascent Clean

This product is one of several that feature the exclusive "Pleasant Scent" fragrance. The pros know that when you select multiple products with a common fragrance you are insuring that your facility will give a positive impression. Insist on Team Pleascent Clean cleaners and odor counteractants for your carpets, hard surfaces and restrooms.

### Description

Removes a wide variety of common spots and spills. Penetrates and loosens oil and water-based soils quickly for fast removal. Ultra-low residue formula resists resoiling. Can be used on synthetic and natural carpets, as well as on water-cleanable upholstery. Pleasant Scent fragrance.

### Directions

Read all directions and cautions on the label prior to using. Consult the MSDS for recommended personal protection equipment.

1. Remove solids and blot excess liquids with a clean, white absorbent cloth.
2. Apply spotter. Do not over wet the carpet.
3. Agitate lightly with SSS Brush/ Scraper. Work from the outside of the spot to the center.
4. Allow 1 to 3 minutes dwell time.
5. Blot with a clean, white absorbent cloth. Use SSS Brush/Scraper with a tamping action.
6. Rinse well with water and blot dry. For best results, rinse and extract with SSS Power Spotter.

**Important Notes:** Pre-test carpet for colorfastness in an out-of-sight area. Difficult spots may require additional dwell time or repeated applications. Avoid rubbing and aggressive agitation, which may spread the stain and damage carpet fibers.
