SSS TRIPLE S
ALERO
AIR CARE
SOLUTIONS

Triple S ALERO Air Care Solutions offer unique fragrances that satisfy the needs of your restroom patrons and create a fresh odor-free environment.

Odors encountered in the restroom form many of our first impressions and create an instant image about the establishment. Introducing an effective air freshening system is an essential measure to generate a positive image as even the most hygienic restrooms can suffer from unpleasant odors.

The stylish and unique Triple S ALERO line of fragrances will match any preference. All fragrances in the Triple S ALERO line are based on high quality fragrance oils ensuring a consistent air freshening effect of the highest quality.

Triple S ALERO refills are designed to fit Triple S ALERO dispensers and most competing dispensers.

ALERO 3000/9000 and Micro Fragrance Descriptions

| Fragrance Name | Fragrance Description |
|-------------------------|--|
| CITRUS SENSATION | Flowing burst of citrus fruits. |
| ENGLISH GARDEN | Flowery collection of carnations, roses, and musk. |
| ORCHARD CRISP | Fresh, fruity orchard. |
| TROPICAL MANGO | Crisp, citrus / fruity blend. |
| TWILIGHT BREEZE | A woody oriental fragrance with clove, and persian spices, lavender, violets, carnations, ylang-ylang and jasmine. |
| WHITE LINEN | Clean, fresh linen. |

ALERO 3000/9000 Metered Dispenser

The ALERO Air Care 3000/9000 Metered Dispenser automatically delivers small bursts of fragrance at specific intervals for a consistent air freshening affect.

- Full array of high quality fragrance refills available.
- Accepts 3000 or 9000 spray fragrance refills.
- Countdown timer to next spray – alerts caretaker to next spray; also indicates the unit is functioning.
- Large LCD Screen – easy to read.
- Micro-chip technology - set “run” programs specific to your facility needs.
- Days of Operation Feature – allows you to plan for service/refill changes.
- Intensity Plus Event Timer – program the dispenser to spray 3 more times in rapid succession during, busy periods, i.e. prior to lunch time, work shift changes.
- Choice of Spray Intervals – allows the user the flexibility to select the spray frequency.
- Cover lifts up and away – makes changing refills easier and safer.
- “Lock and Key” feature prevents theft of fragrance refills and batteries.
- Requires 2 “C” cell batteries. Up to 3-year battery life (pending conditions).
- Test button to verify operation, with a 5-second delay (press the enter button).
