 Reference SSS Lynx 26 Manual for warranty information.

The **SSS Lynx 26 Large Area Vacuum** is a versatile large area vacuum cleaner that deep cleans large carpeted areas with ease. The wide cleaning path quickly cleans open areas such as large meeting rooms, hallways, ballrooms, lobbies and terminals. The single 2-stage, 1.57 hp industrial motor creates a deep cleaning action across the full cleaning path. The five height adjustments make it easy to adjust to different types of carpeting. The Lynx 26 has an optional tool kit which provides the ability to clean from floor to ceiling with one machine. For large area vacuuming the SSS Lynx 26 is your best choice.
