 Specifications are subject to change without notice.

This line of budget-friendly upright vacuums is a reliable choice for general vacuuming. The units are designed for dependability, ease of use, and low cost serviceability. Both units feature a plastic, dual row brush roller for extended reliability; a long 50 foot power cord for improved user productivity, and eleven carpet height adjustments to accommodate low-pile commercial carpet to more plush carpet. Heavy duty long-life, dual 9-amp motors provide all of the power and pickup needed for your daily needs. The models are excellent for building service contractors, hotels, education, food service, and government facilities. Available with 2-ply paper filter bag.

Both units are certified under the Carpet Rug Institute Seal of Approval Program (SOA).
