

Chariot™ iGloss 20

20" Stand-on High-Speed Burnisher

- Chariot iGloss 20 designed with Windsor's Chariot Patented Stand-On Cleaning Technology* that significantly increases productivity and cleaning quality.
- Features a patent-pending spring-loaded weighted pad that requires no adjustment – just turn the dial and burnish.
- With a footprint smaller than a walk-behind or a ride-on, the Chariot easily fits into busy environments without disrupting work flow.
- Low dBA allows for daytime cleaning (lowest in industry).
- Available in active or passive dust control units.
- 20" 2000 RPM pad driver system provides high gloss performance.
- On-Board charger available for AGM model can be used with any standard wall outlet.

Performance Features

The weighted pad is designed with no adjustment, making training and use easy with consistent performance.

Dust is collected in a convenient, disposable bag for improved indoor air quality.

Intuitive function control system with preset cleaning settings simplifies training and provides more consistent cleaning results.

Designed with easy access to bag and filter maintenance.
